**MIDDLESEX COUNTY WETLANDS BOARD  
NOTICE OF PUBLIC HEARING**

Notice is hereby given pursuant to Section 28.2-1302.6 of the Code of Virginia that a public hearing will be held by the Middlesex County Wetlands Board on **Tuesday, June 10, 2008 at 9:00 AM** to consider the following:

1. Wetlands Application # 2008-0534 from Waterview Landing c/o Steve Thompson. This application requests to install a community pier 8' wide x 433' long with a 60' x 6' "T" head as well as 18 wetslips within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Harry George Creek, Tax Map #9-38.
2. Wetlands Application # 2008-0545 from Jamison Cove Townhouses c/o Russell Winn. This application requests to remove the existing community pier and install a 6' wide x 48' pier with a 20' x 10' "L" head and a 5' x 10' step down within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Jamison Cove, Tax Map #20A-36-B.
3. Wetlands Application # 2008-0485 from Jane A. Hall. This application requests to repair/rebuild a 50' groin as well as construct a new 50' groin within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on the Piankatank River, Tax Map # 46-2-19.
4. Wetlands Application # 2008-0568 from Benjamin Marshall. This application requests to construct 198' x 4' of timber bulkhead within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Meacham's Creek, Tax Map #30A-11-A.

5. Wetlands Application # 2008-0804 from Rosegill Development c/o Mark Fields. This application requests to install a 12' wide x 20' long kayak launch attached to a 24' long hinged ramp, as well as install 160 square feet of rip rap around a stormwater pipe outflow within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Urbanna Creek, Tax Map # 27-10-1.
6. Wetlands Application #2008-0805 from Chesapeake Leisure, LLC. This application requests to construct 310' of vinyl bulkhead to replace an existing, failing bulkhead within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Fishing Bay, Tax Map # 40-381.
7. Wetlands Application #2008-0848 from Rodney Leffler. This application requests to install 380' of 12" coir logs along an eroding bank for erosion protection within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Healey's Creek, Tax Map # 39D-1-16.
8. Wetlands Application #2008-0419 from John Morgan. This application requests to repair the existing 92' of rip rap jetty within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on Sturgeon Creek, Tax Map #40-17-1A.
9. Wetlands Application #2006-1523 from Crittenden & Son, Inc. c/o Fred Crittenden. This application requests to construct a 35' x 16' concrete boat ramp within the jurisdiction of the Middlesex County Wetlands Board. The proposed project is located on the Rappahannock River, Tax Map # 40-2E-12.

The Wetlands Board public hearing will be held in the **Old Courthouse Building on the second floor**, 877 General Puller Hwy, County Courthouse Complex, Saluda, Virginia. All interested persons are encouraged to attend to present their views concerning the applications. A copy of the application is available for public inspection at the Department of Planning and Community Development, Woodward Building, Saluda, Virginia, telephone (804) 758-3382.
