It will be requested that the enclosure include glass and also must be designed to match the colonial facade of the historic buildings that are within the courtyard. Offerors are not to submit estimated man-hours or cost for services with their proposals. At the discussion stage, the County will discuss non-binding estimates of cost.

There is no expressed or implied obligation for the County of Middlesex to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

To be considered, one (1) original and six (6) copies of a proposal must be received by the Middlesex County Administrator, at 877 General Puller Highway, P. O. Box 428, Saluda, VA no later than 3:00 P.M., Thursday, June 22, 2017. The County of Middlesex reserves the right to reject any or all proposals submitted.

A Selection Committee, selected by the County Administrator, and Board of Supervisors will evaluate proposals submitted.

During the evaluation process, the Selection Committee and the County of Middlesex reserves the right, where it may serve the County of Middlesex's best interests, to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. At the discretion of the County of Middlesex or the Selection Committee, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The County of Middlesex reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. It is anticipated the selection of the firm will be completed by June 29, 2017. Following the notification of the selected firm it is expected a contract will be executed between both parties by July 12, 2017, however, final approval is required by the Middlesex County Board of Supervisors.

### **III. EVALUATION PROCEDURES**

The Selection Committee will independently read, review and evaluate each proposal and a recommendation will be made on the basis of the criteria listed below.

1. Qualifications and experience of the firm. In particular, experience of specific employees who will be assigned to the County of Middlesex task.
2. Availability of Engineers to meet with County staff on an ongoing basis and communicate with appropriate County officials who are responsible for the completion of the project.
3. Responsiveness of the written proposal.
4. Performance record and demonstrated ability to work with a municipal organization to provide the requested Engineering services.
5. Comprehension and soundness of assessing the proposal and role of the firm to meet the objectives of the Middlesex County Board of Supervisors.
6. Key personnel

Once each member of the committee has independently read and rated each proposal, based on the criteria listed above, a preliminary evaluation rating will be developed which indicates the group's collective ranking of the highest rated proposals in a descending order. At this point, the committee may conduct interviews with the top ranked firms. During the interview process, non-binding price proposals and costing data can be discussed. Once these interviews and discussions are completed, including the non-binding estimates of cost, the committee will finalize the rankings, including consideration of costs of services. Final negotiations for a binding estimate of cost will begin with the top ranked firm. If a contract acceptable to the County cannot be negotiated at a price considered fair and reasonable, negotiations shall be terminated with the top ranked firm and negotiations will then proceed with the next highest ranked firm until an agreement is reached. The Selection Committee will conduct all subsequent negotiations and will make a recommendation to the Middlesex County Board of Supervisors for selection of a firm.

The term "County" as used herein refers to the contracting entity which is the signatory on the contract and may be either Middlesex County, or the Middlesex County Board of Supervisors, a political subdivision of the Commonwealth of Virginia, or both. Bidder/Offeror or their authorized representatives are expected to inform themselves fully as to the conditions, requirements, and specifications before submitting bids/proposals: failure to do so will be at the bidder's/offeror's own risk and except as provided by law, relief cannot be secured on the plea of error.

Subject to all Federal, State and local laws, policies, resolutions, regulations, rules, limitations and legislation, bids/proposals on all solicitations issued by the Procurement Department will bind bidders/ offerors to applicable conditions and requirements herein set forth unless otherwise specified in the solicitation.

- 
1. **AUTHORITY**-the County Administrator has the sole responsibility and authority for negotiating, placing and when necessary modifying every solicitation, contract and purchase order issued by the County. In the discharge of these responsibilities, the Administrator may be assisted by others on the County staff. Unless specifically delegated by the County Administrator, no other County officer or employee is authorized to order supplies or services, enter into purchase negotiations or contracts, or in any way obligate the County for an indebtedness. Any purchase order or contract made which is contrary to these provisions and authorities shall be of no effect and void and the County shall not be bound thereby.
  2. **COMPETITION INTENDED:** It is the County's intent that this solicitation permit competition. It shall be the Bidder's/Offeror's responsibility to advise the County Administrator in writing if any language, requirement, specification, etc., or any combination thereof, stifles competition or inadvertently restricts or limits the requirements stated in this solicitation to a single source. The County Administrator must receive such notification not later than five (5) business days prior to the deadline set for acceptance of the bids/proposals.

### CONDITIONS OF BIDDING

3. **CLARIFICATION OF TERMS** - If any Bidder/ Offeror has questions about the specifications or other solicitation documents, the prospective Bidder/ Offeror shall contact the County Administrator in writing no later than five (5) business days prior to the date set for the opening of bids or receipt of proposals. Any revisions to the solicitation will be made only by addendum issued by the County. Notifications regarding specifications may not be considered if received in less than five (5) business days of the date set for opening of bids/receipt of proposals.
4. **MANDATORY USE OF COUNTY FORM AND TERMS AND CONDITIONS:** Failure to submit a bid/proposal on the official County form provided for that purpose shall be a cause for rejection of the bid/proposal. Unauthorized modification of or additions to any portion of the Invitation to Bid or Request for Proposal may be cause for rejection of the bid/proposal. However, the County reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject any bid or proposal which has been modified.
5. **LATE BIDS/PROPOSALS & MODIFICATION OF BIDS/PROPOSALS:** Any bid/proposal/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/proposal/modification is considered a late bid/proposal/modification.  
The County is not responsible for delays in the delivery of the mail by the U.S. Postal Service, private carriers or the inter-office mail system. It is the sole responsibility of the Bidder/Offeror to ensure their bid/proposal reaches the Procurement Department by the designated date and hour.
  - a. The official time used in the receipt of bids/ proposals is that time as determined by the County Administrator
  - b. Late bids/proposals/modifications will be returned to the Bidder/Offeror UNOPENED, if solicitation number, acceptance date and Bidder/Offeror's return address is shown on the container.
  - c. If the County closes its offices due to inclement weather scheduled bid openings or receipt of proposals will be extended to the next business day, same time.
6. **WITHDRAWAL OF BIDS/PROPOSALS:** A Bidder/Offeror for a contract other than for public construction may request withdrawal of his or her bid/proposal under the following circumstances:
  - a. Bids/Proposals may be withdrawn on written request from the Bidder/Offeror received at the address shown in the solicitation prior to the time of acceptance.
  - b. Requests for withdrawal of bids/proposals after opening of such bids/proposals but prior to award shall be transmitted to the

County Administrator, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. No bidder/offeror who is permitted to withdraw a bid/proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid/proposal was submitted.

7. **ERRORS IN BIDS/PROPOSALS** – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids/proposals must be initialed by the bidder/offeror. Carelessness in quoting prices, or in preparation of bid/proposal otherwise, will not relieve the Bidder/Offeror. Bidders/Offerors are cautioned to recheck their bids/proposals for possible error. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.
8. **IDENTIFICATION OF BID/PROPOSAL ENVELOPE:** The signed bid/proposal and requested copies must be returned in a separate envelope or package, sealed and identified with the following information:

**MIDDLESEX COUNTY ADMINISTRATOR'S OFFICE**

**TITLE – ARCHITECTURAL AND/OR ENGINEERING SERVICES  
BID/PROPOSAL DUE DATE AND TIME – JUNE 22, 2017 AT 3:00 P.M.  
VENDOR NAME AND COMPLETE MAILING ADDRESS (RETURN ADDRESS)**

If a bid/proposal is not addressed with the information as shown above, the Bidder/Offeror takes the risk that the envelope may be inadvertently opened and the information compromised, which may cause the bid/proposal to be disqualified. Bids/Proposals may be hand delivered to the designated location in the office issuing the solicitation. Middlesex County will not accept facsimile and/or electronic bids/proposals. No other correspondence or other proposals should be placed in the envelope.

9. **ACCEPTANCE OF BIDS/PROPOSALS:** Unless otherwise specified, all formal bids/proposals submitted shall be valid for a minimum period of one hundred twenty (120) calendar days following the date established for acceptance. At the end of the one hundred twenty (120) calendar days the bid/proposal may be withdrawn at the written request of the Bidder/Offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.
10. **CONDITIONAL BIDS:** Conditional bids are subject to rejection in whole or in part.
11. **BIDDERS PRESENT:** At the time fixed for the opening of responses to a bid, bid contents will be made public for the information of bidders and other interested parties who may be present either in person or by representative. All bids will be opened at the time and place specified and read publicly. At the time fixed for the receipt of responses for Request for Proposals, only the names of the offerors will be read and made available to the public.
12. **RESPONSE TO SOLICITATIONS:** In the event a vendor cannot submit a bid on a solicitation, the vendor is requested to return the solicitation cover sheet with an explanation as to why the vendor is unable to bid on these requirements. Because of the large number of firms listed on the County's Bidders List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. Such deletion will be made only after formal notification of the intent to remove the firm from the County's Bidder's List.
13. **BIDDER INTERESTED IN MORE THAN ONE BID:** If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
14. **TAX EXEMPTION:** The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. Tax exemption certificates will be furnished if requested by the Bidder/Offeror.
15. **DEBARMENT STATUS:** By submitting their bids/proposals, Bidders/Offerors certify that they are not currently debarred from submitting bids/proposals on contracts by the County, nor are they an agent of any person or entity that is currently debarred from submitting bids or proposals on contracts by the County or any agency, public entity/locality or authority of the Commonwealth of Virginia.
16. **ETHICS IN PUBLIC CONTRACTING:** The provisions contained in Sections 2.2-4367 through 2.2-4377 of the Virginia Public Procurement Act as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all contracts solicited or entered into by the County. By submitting their bids/proposals, all Bidders/Offerors certify that their bids/proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder, Offeror, supplier, manufacturer or subcontractor in connection with their bid/proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

17. **NO CONTACT POLICY:** No Bidder/Offeror shall initiate or otherwise have contact related to the solicitation with any County representative or employee, other than the Procurement Department, after the date and time established for receipt of bids/proposals. Any contact initiated by a Bidder/Offeror with any County representative, other than the Procurement Department, concerning this solicitation is prohibited and may cause the disqualification of the Bidder/Offeror from this procurement process.
18. **VIRGINIA FREEDOM OF INFORMATION ACT:** All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act except as provided below:
  - a. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
  - b. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of bids but prior to award, except in the event that the County decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the County decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in paragraph "c" below. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the bidder, offeror or contractor must invoke the protections of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
  - c. Nothing contained in this section shall be construed to require the County, when procuring by "competitive negotiation" (Request for Proposal), to furnish a statement of reasons why a particular proposal was not deemed to be the most advantageous to the County.
19. **CONFLICT OF INTEREST:** Contractor certifies by signing bid to the County that no conflict of interest exists between Contractor and County that interferes with fair competition and no conflict of interest exists between Contractor and any other person or organization that constitutes a conflict of interest with respect to the contract with the County.

## SPECIFICATIONS

20. **BRAND NAME OR EQUAL ITEMS:** Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding, only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the Bidder clearly indicates in its bid/proposal that the product offered is "equal" product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation.
21. **FORMAL SPECIFICATIONS:** When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.
22. **OMISSIONS & DISCREPANCIES:** Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications. The Bidder/Offeror shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.
23. **CONDITION OF ITEMS:** Unless otherwise specified in the solicitation, all items shall be new, in first class condition.

## AWARD

24. **AWARD OR REJECTION OF BIDS:** The Board of Supervisors shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the County to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids/proposals and to waive any informality in bids/proposals received whenever such rejection or waiver is in the best interest of the County. Award may be made to as many bidders/offerors as deemed necessary to fulfill the anticipated requirements of the County. The Purchasing Agent also reserves the right to reject the bid if a bidder is deemed to be a non-responsible bidder.
25. **ANNOUNCEMENT OF AWARD:** Upon the award or announcement of the decision to award a contract as a result of this solicitation, the County Administrator may post award results, which may be viewed on the Middlesex County Website at [www.co.middlesex.va.us](http://www.co.middlesex.va.us)
26. **QUALIFICATIONS OF BIDDERS OR OFFERORS:** The County may make such reasonable investigations as deemed proper and necessary to determine the ability of the Bidder/Offeror to perform the work/furnish the item(s) and the Bidder/Offeror shall furnish to the County all such information and data for this purpose as may be requested. The County reserves the right to inspect Bidder's/Offeror's physical facilities prior to award to satisfy questions regarding the Bidder's/Offeror's capabilities. The County further reserves the right to reject any bid or proposal if the evidence submitted by or investigations of, such Bidder/Offeror fails to satisfy the County that such Bidder/Offeror is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.
27. **TIE BIDS:** In the case of a tie bid, the County may give preference to goods, services and construction produced in Middlesex County or provided by persons, firms or corporations having principal places of business in the County. If such choice is not available, preference shall then be given to goods and services produced in the Commonwealth pursuant to Section 2.2-4324 of the Code of Virginia. If no County or Commonwealth choice is available, the tie shall be decided by lot.

## CONTRACT PROVISIONS

28. **APPLICABLE LAW AND COURTS:** Any contract resulting from this solicitation shall be governed in any respects by the laws of Virginia, and any litigation with respect thereto shall be brought in the Circuit Court of Middlesex County, Virginia. The Contractor shall comply with applicable federal, state and local laws and regulations.
29. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By submitting their bids, Bidders certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.
30. **ANTI-TRUST:** By entering into a contract, the Contractor conveys, sells, assigns, and transfers to the County all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust law of the United States and Middlesex County, relating to the particular goods or services purchased or acquired by the County under said contract. Consistent and continued tie bidding could cause rejection of bids by the Purchasing Agent and/or investigation for Anti-Trust violations.
31. **PAYMENT TERMS:** Unless otherwise provided in the solicitation payment will be made thirty (30) days after receipt of a proper invoice, or thirty (30) days after receipt of all goods or acceptance of work, whichever is the latter.
  1. Invoices for items/services ordered, delivered/performed and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the contract number, purchase order number, and any federal employer identification number.
  2. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
  3. The date of payment shall be deemed the date of postmark in all cases where payment is made by mail.
  4. The County's fiscal year is July 1 - June 30. Contractors are advised to submit invoices, especially for goods and/or services provided in the month of JUNE, for the entire month i.e. June 1 - June 30, so that expenses are recognized in the appropriate fiscal year.
32. **PAYMENT TO SUBCONTRACTORS:** A contractor awarded a contract under this solicitation is hereby obligated:

1. To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the County for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
2. To notify the County and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.

The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the County, except for amounts withheld as stated in 2 above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the County.

33. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the Contractor in whole or in part without the written consent of the County Administrator.
34. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the County, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to other remedies which the County may have.
35. **ANTI-DISCRIMINATION:** By submitting their bids/proposals, Bidders/Offerors certify to the County that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and Section 2.2-4311 of the *Virginia Public Procurement Act*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, §2.2-4343.1(E)).

In every contract over \$10,000 the provisions in A and B below apply:

A. During the performance of this contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section.

B. The Contractor will include the provisions of A. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

36. **INVOICES:** Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the IFB/RFP number and/or purchase order number.
37. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:
  - A. The parties may agree to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
  - B. The County may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the County a credit for any savings. Said compensation shall be determined by one of the following methods.
    1. By mutual agreement between the parties in writing; or

2. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the County's right to audit the Contractor's records and/or determine the correct number of units independently; or
3. By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the County with all vouchers and records of expenses incurred and savings realized. The County shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the County Administrator within thirty (30) days from the date of receipt of the written order from the County Administrator. If the parties fail to agree on an amount of adjustment, the questions of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for relieving disputes provided by the Disputes Clause of this contract.
